**Ribbon Cutting Held for Made 2B More**

PERRY- The Perry Area Chamber of Commerce held a Ribbon Cutting for Made 2B More on Monday, February 9, 2009 at the Perry Area Chamber of Commerce. Chamber staff, business leaders, the mayor, and community members helped celebrate the opening of the non-profit organization in the Perry Area.

Made 2B More was formed by Rhonda Mincey, President and CEO, after realizing the urgent need for young girls to have a safe and nurturing place to assemble in order to address the challenging and complex issues that inevitably confronts them. Ms. Mincey knew that with proper guidance, girls could have good self-esteem, transform into young ladies and become leaders and positive role models.

Made 2B More, Inc.'s mission is to teach young, at-risk girl between the ages of 11- 17, who reside in Metropolitan Atlanta and rural Georgia, life skills and leadership skill and to convey God's love through workshops, mentoring, conferences and recreational activities.

For more information about Made 2B More, contact Rhonda Mincey at (678) 472-4740 or [rgmincey@made2bmore.org](mailto:rgmincey@made2bmore.org). You can also visit the organizations website at [www.made2bmore.org](http://www.made2bmore.org).
