Ten girls recently graduated from the Leaders Program of Made 2B More™. Each girl received a certificate of completion. The Leaders Program is a 9-month program for girls in middle school (ages 10 - 13) that runs from September through May, covering topics like Self-Esteem, Abstinence, Finance, Communications, and much more! Peer leaders (girls in high school), act as mentors and leaders in training.

Made 2B More™, Inc. is a nonprofit organization that exists to teach girls ages 11- 17 life and leadership skills through workshops, mentoring, conferences, and recreational activities. For more information regarding the programs, or to make a donation, visit [www.made2bmore.org](http://www.made2bmore.org).
