Made 2B More, a Perry nonprofit organization formed to help girls reach their full potential, received a \$5,000 grant from The Michael Baisden Foundation at the One Million Mentors Campaign. Nationally acclaimed speaker, author, and syndicated radio talk show host Michael Baisden brought this event to Fort Valley University on March 24 as part of a 7-month 71-city national bus tour to encourage men, women, and teenagers to become mentors and to donate to mentoring organizations.

Rhonda Mincey, the President of Made 2B More, thanked Michael Baisden for the grant, stating, "Made 2B More would like to get its own meeting and office space to serve more girls, and this grant will help make that happen." Also in attendance at this event were Dr. Larry Rivers, President of Fort Valley State University, First Lady Betty Rivers, and mentoring organizations.
